HNHS Bloodborne Pathogens Training

OSHA and MIOSHA require all employees who have occupational exposure to blood or other potentially infectious materials be trained at the time of initial assignment and at least annually thereafter. Included in our service to you, HNHS offers an online interactive training course which covers the requirements for MIOSHA Bloodborne Infectious Diseases Standard **except site-specific information**.

Please provide: **company name/address; contact name/phone number;** as well as the **name and e-mail address of each employee** who will need to be trained. Please return via e-mail (wintersp@hnv-hnhs.com) or fax (269-329-8200). If you have any questions, please give us a call at 269-329-3200.

Please type or print.
